Dated Hatpan 10th November 1892

From

D/Commissioner

Hatpan District,

To,

The Mudaliyar Secretary to the

Govt of Jaffna.

Sir,

I have the honor to submit herewith General Appeal Commissioner's Yadi No. 107 dated 20th Oct. Albino together with its enclosures and the Estimate amounting to Rs. 279 for the repairs of Sanscrit Pathasala at Belur.-

I am requested by the people who are at work on the Belur Pathasala to request that the work may be done by them after the Pongal feast.

15/11/92

2. It will be seen from the above that both the Anildar and the Kachcheri Officer are of opinion that the cost of repair

Should be undertaken by the Education Departt. But I would rather suggest that the work be carried out from the Temple funds, as, if I apply for a grant from the Education Department, and even if the grant is obtained; which seems problematical, that Department might eventually claim a right over the building which the Managing Committee and the Temple authorities may not like. Further I believe the committee may not be able to bear the entire or any cost. On the other hand if the repairs of the Pathasala are undertaken by the Temple funds, the Temple

authorities would be in a position to have the building vacated on necessary occasions and restore the same for the use of the Pathasala when not wanted for the Temple. —

Under these circumstances I beg that the Estimate may be sanctioned and orders issued for the repairs being carried out from the Temple Funds of Chunnakesava - Swamy at Belur to which the building referred to is attached. I understand that there is a balance of Rs. 1977-8-4 under the head "Management" in favour of this Temple. —

Sir,

I have the honour to inform you that the room in which the Belur Sanskrit School is held is a part of the buildings belonging to the Belur Temple and is very much in need of repairs. The roof leaks badly and if the repairs are not attended to at an early date much damage may be caused during the next rainy season. I have therefore to request that you will kindly order the repairs to be carried out at an early date by the Inspector Department.

Sir

To The Secretary 48 8/15/2/93

I wrote on the same subject last year to the Assistant Commissioner in charge of the Imperial Department at Hassan, but he appears to have done nothing yet to repair the building.

In continuation of my docket No. 106 Muz 7.56.92 dated the 24th July last, I have the honor to state that I inspected the building in question during my late tour through the Hassan District. It is a detached building situated outside the temple premises and not belonging thereto.

I regret to say that the temple has no fund to repair it, as it enjoys only a small amounts of Jasdik allowance. The Edu[n] Department may execute the necessary repairs and pay a small monthly rental of Rs 5/- The building is a substantial one and a higher rent can reasonably be demanded for it but I will not advance claims on behalf of the temple for a higher rent than Rs 5/-, seeing that the Educational Department has also to undertake the execution of the repair of the building out of its own funds.

2. A similar question was raised regarding a Mantapam belonging to a temple in Srirangapatam, where the local Munsiff's Court had for several years past been held free of any rent paid after some correspondence on the subject, the Govt have now decided that a monthly rent of Rs 10 should be paid for the use of the building subject also to the condition that the temple should not be called upon to

Sir,

With reference to your letter No 774 Muz 7.56-92 dated 18th January 1894, I have the honour to inform you that it would be altogether a new departure to pay the rent of grant-in-aid schools. There are scores of aided schools in Mysore and if rent is allowed to one it will be claimed by all. If you insist on charging rent the present grant-in-aid master is unable to find accommodate

elsewhere, the only feasible plan will be to raise the amount of grant from the next year. You may then compel the master to pay rent, & also pay for repairs out of the increased grant if you should so decide.

2. Before however you take any final action in the matter I would draw your attention to the fact that the case of a Sanskrit school is not parallel to that of a Munsiffs' court which is a public office. It seems to me that a temple is a very appropriate place to hold a Sanskrit school in, and the dignity and usefulness of a temple would be enhanced by using a part of it as a seat of learning.

3. I return the enclosure of your letter with thanks.

Sir

In reply to your letter no. dr 4300 of 179 the 20th Jan'94 I have the honor to State that the question of the payment of rent for the temple building occupied by the Sanskrit Patasala in Belur, may be allowed to be remitted for until the end of the current official year.

Mysore Govt. Central Press, Bargalore.—26-9-93-1,000.

When, as remarked by you, the Grant-in-aid to the School may be increased so as to enable the Master to meet the rent imposed. But meanwhile, I request you will be so kind as to order the repair of the building from the Ed. Fund. As ~~kindly consented to~~ by you in your Office No. 1648/238 dated the 29th Sept.

2. As regards the observations made in para 2 of your letter under reply, I may remark that a ~~the~~ temple will certainly be an appropriate place for holding a Vedic ~~and Upanishad~~ School Patasala, but an ordinary Sanskrit School teaching only Kavya Lessons, can in no way add to the usefulness ~~and~~ of ~~the~~ existing institutions.

Yours &c
